A Great Location

YOU CAN CHOOSE TO STUDY WITH A TEACHER IN THE CITY, IN THE COUNTRYSIDE OR BY THE SEA!

Most of our teachers live in or near the lively cosmopolitan cities of Bristol and Bath, but we also have teachers in other good locations all over the UK. There are many exciting opportunities for sports, museums, theatre, cinema, shopping and entertainment.

Social and Cultural Activities

We will arrange visits and excursions to places of interest and you will have free time to spend as you choose. You will be able to practise your English everyday in real life situations with your teacher and your teacher's family and friends. This is the natural way to learn English and to gain confidence in using the language.

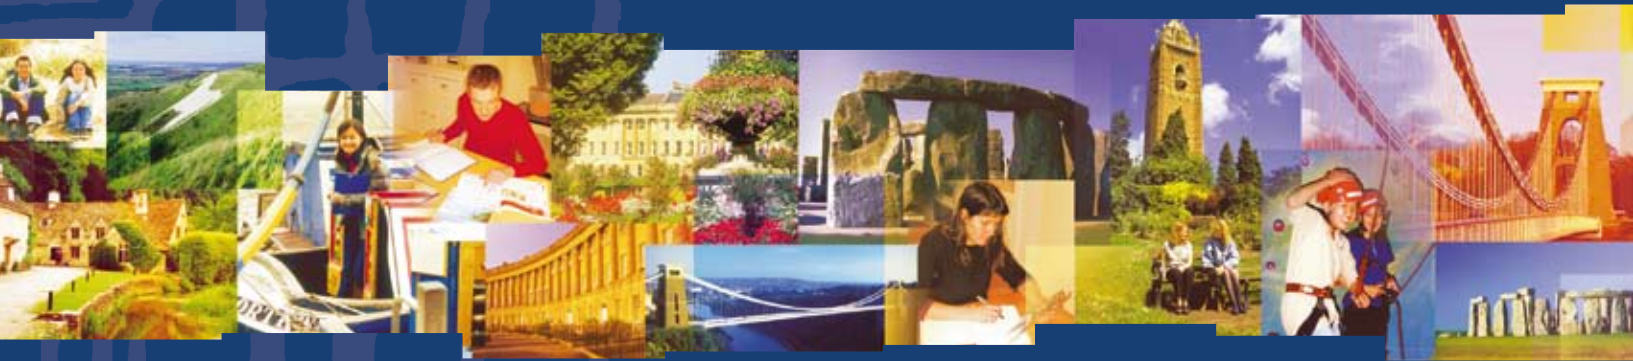

"If you really want to learn English then this is the way."

Isabel (Lawyer, Spain)

"I learned more in two weeks with my teacher at home than in six weeks at a language school"

Julian (Student, Germany)

"I learned about how English families live and English customs"

Stephanie (Teacher, France)

"Thank you so much for everything you have done for me - I want to come again"

Toshiko (student, Japan)
